

eBucks Business Rewards

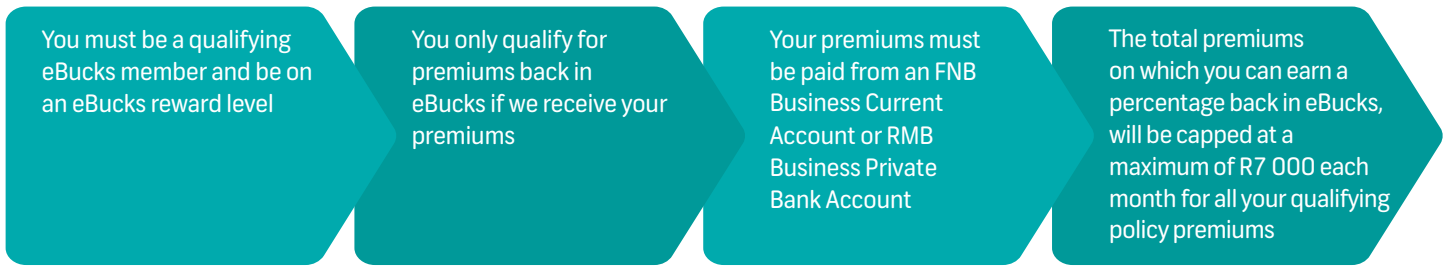

Rewards
15%
 Earn up to 15% of your FNB Key Person Insurance premiums back in eBucks

As a valued FNB Business client, you can receive a percentage of your monthly premiums back in the form of eBucks, if you meet the qualifying criteria.

Your eBucks reward level will determine the percentage back in premiums.

% Back in eBucks	1%	2.5%	5%	7.5%	15%
eBucks rewards level	1	2	3	4	5

Qualifying Criteria

For more details on the eBucks Rewards programme, and how to qualify, visit the **eBucks website**. eBucks rewards Terms, Conditions and Rules apply.

How do you earn eBucks on a FNB Key Person Insurance Policy?

Goapele Architects has a FNB Platinum Current Account, is registered for eBucks and is on **reward level 5**.

They have a FNB Key Person Insurance policy covering a 40-year-old employee.

Goapele Architects' Key Person Insurance policy has **Life and Disability Cover to the value of R1 000 000 each**, of which they pay a **monthly premium of R320.00**

This is how we calculate the eBucks earned for Goapele Architects every month:

- **R320.00 (total Plan premium) x 15% (reward level 5 percentage) = R48.00 (eB 480)**
- Goapele Architects will receive **eB 480 for that month**

Your participation in the eBucks programme allows us to better assess your risk. This enables you to earn back a percentage of your premium in the form of eBucks. We may change, suspend or stop giving premiums back in eBucks. We will notify you of this within a reasonable time of the changes being made. If you have any questions about eBucks rewards call 087320 3200 or email info@eBucks.com.
