

# FNB Virtual Card: Android devices

## How to get an FNB Virtual Card?

1. Log in to the **FNB App**
2. Select **'Cards'**
3. Select **'Add Card'** and then **'Create virtual card'** option
4. Select **'Linked to Account'**  
(the transactional account that you want to link your FNB Virtual Card to)
5. In the **'Card nickname'** text box type the name you want to appear on your FNB Virtual Card
6. Select **'Submit'**

## How to register your FNB Virtual Card for Tap to Pay?

To use Tap to Pay, your Android device must support NFC

1. Log in to the **FNB App**
2. Select **'Pay'**
3. Select **'Pay'**
4. Select **'Tap to Pay'**
5. Select **'Register'** near the bottom
6. Choose an FNB Virtual Card and select it to be the default card (bottom of the screen)
7. Select **'Continue'** and confirm the cards you're looking to register
8. Wait for completion of registration

## Already registered for Tap to Pay but not linked to your FNB Virtual Card?

Add another card to Tap to Pay

1. Log in to the **FNB App**

## How to view and manage your FNB Virtual Card PIN?

1. Log in to the **FNB App**
2. Select **'Cards'**
3. Select **'FNB Virtual Card'**
4. Select **'Manage PIN'**
5. Select **'View card PIN'** or **'Change card PIN'**

## How to pay using your FNB Virtual Card on your Android device?

1. Make sure your Android has **NFC turned on**
2. **Unlock** your smartphone
3. **Tap the unlocked phone** on the POS device and hold for a few seconds
4. A **push notification will arrive** once the payment is successful
5. For payments over a certain amount, you may need to **enter your PIN** on the card machine (please see above how to manage and view your pin)

## How to pay with your FNB Virtual Card for online transactions?

1. Pay for your online purchases by filling in your **FNB Virtual Card** details on the payment confirmation screen
2. You can copy and paste the **FNB Virtual Card number** and you can **tap** the card to **view the CVV** that changes every hour

## How to load your FNB Virtual Card to your Netflix subscription?

You can also upload your FNB Virtual Card on other streaming subscription platforms

1. Log in to **Netflix.com**
2. Tap on the menu icon on the top left of the screen and then select **'Account'**
3. Scroll down and select **'Manage payment info'**
4. Select **'Add Payment Method'**
5. Select **'Credit or Debit Card'**
6. Fill in all your FNB Virtual Card details; you can get these by logging in to the **FNB App**
  - a. Go to the cards page
  - b. Copy your FNB Virtual Card number by pressing and holding over the number on the card
  - c. Flip card (tap card) to view your **CVV number**
7. Select **'I Agree'** at the bottom of the page and then **'Save'**
8. Select **'Make preferred'** on your newly added FNB Virtual Card to set this as your default payment method
